- Single Point of Contact is now for every child that needs Team Around the Child not just children who are new to the system.
- Eligibility criteria- JS is starting a working group to help her draft eligibility criteria. Parent volunteers are needed. It will then come to the Parent Reference Group for consultation. GA will join the working group.
- GA- The Wheel Chair User Group was not properly consulted around eligibility. Parents provided feedback but it was not properly collated and nothing was ever brought back to the group. GA to speak to JS. The future eligibility criteria is in draft form. JT will take this to the AHDC Oversight Group. **ACTION-** JT take to AHDC Oversight Group.
- PSA SEN training- want feedback to strategic groups from PSAs.
- Any ideas for the AHDC Phase Three money are welcome. Looking at holding a ASD conference.
- PRG lunch time meetings appear to be more popular.
