

Parent Issues: Keeping Whitleigh Parents Informed

School Review Group meeting 21st May

I attended the third School Review Group meeting that was held at Windsor House on Friday May 21st. I gave a report detailing how I have posted the questionnaire results on both the School and Plymouth Parent Partnership websites.

In my report I mentioned there were a few concerns on the Dining area and food, I have visited the dining area on a regular basis and have tried a food tasting session with some children and MTA's.

Eden now have a new menu. If you would like a copy of the menu please see the school office or there are some by the paying in machine.

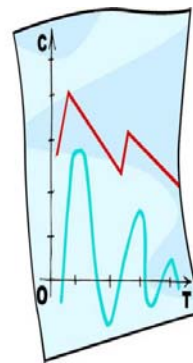

Please log onto the :

Plymouth Parent Partnership website
www.plymouthparentpartnership.org.uk
Whitleigh Primary School
www.whitleigh-pri.plymouth.sch.uk

All newsletters and action plans will be posted here
and on the school website as soon as available

At the School Review Group we received a presentation from Mrs. Roberts (Key Stage two) to do with pupil tracking, this has all been upgraded and is a lot easier for teachers and other members of staff to track the progress of the children in every class.

From next month I will be able to start attending the Leadership meetings again. I have been unable to do so for the last 6 weeks due to being on training every Monday down in Cornwall.

I have not had any parents contacting me about the School Improvement Process recently – but please do contact me if you have any queries or comments.

The Governors have had a review and are currently receiving relevant training for their positions within the campus.

The next School Review Group meeting is on Thursday 15th July.
